

Low-threshold training with **mentoring**, language coaching, guidance towards **sustainable employment**, and on-the-job **aftercare** 

## WHAT WILL YOU LEARN?

- Ergonomic and healthy cleaning, ironing, doing laundry, preparing meals and doing grocery shopping
- ✓ You practice everything together until you can do it on your own
- ✓ How to apply for a job, communicate with boss and customers, use Google Maps, get your administration in order, ...
- Dutch in a work environment

## WHAT DO YOU GET?

- ✓ Step by step you build up practical experience
- You can come to your personal coach with all your private and work questions (= individual support)
- Certificate after training

- ✓ Coaching towards work
- ✓ We will accompany you to your new employer for the first time and help you for another 6 months after if there are any problems at work

## FOR WHOM?

- ✓ You live in Brussels
- ✓ You are looking for work
- ✓ You speak and understand basic Dutch

## PRACTICAL INFORMATION:

- ✓ Training for 6 months
- ✓ 20 hours per week (including a duo-internship)
- ✓ Where? CAD De Werklijn, Naaldstraat 23, 1070 Anderlecht
- ✓ Enrollment is possible from June 2024
- Training starts in October 2024

Training is completely free of charge

Reimbursement of transport costs STIB/MIVB
